Transition Pathway
(New Referrals)
**Transition Pathway (New Referrals)**

17 years 9 months – 18 years 0 months referred as new

- Requires same day assessment
  - CAMHS Duty Worker provides same day appointment
    - If requires ongoing input, consider a joint CAMHS and AMH assessment within 4 weeks

- Requires assessment within 5 days
  - CAMHS Duty Worker contacts AMH Duty Worker to arrange joint appointment within 5 working days
    - Further provision of care agreed on case by case basis

- Requires routine appointment
  - CAMHS liaise with AMH to arrange joint assessment within 4 weeks
    - Agree which service will deliver treatment
      - Transition to AMH, as per transition plan, if required

**Transition Care Plan Documents**
The Transition Care Plan Guidance; Transition Care Plan and the Transition Care Plan Evaluation Form can all be found at: https://www.nhsinform.scot/care-support-and-rights/health-rights/young-people/transition-care-plans-moving-from-camhs-to-adult-mental-health-services

**If the patient does not attend their first appointment, they should be contacted by AMH and given further opportunities to engage.**
